

Secret Agent

EVENT EXPERIENCE

Your event attendees have the opportunity to beat the bad guys and rescue the company in this theme. Have your company president come in with dark glasses and a suit to powerful music themes playing in the background. Create all your event material in a dossier and have M be your M/C for the evening. Sending orders and strategizing to solve the most important issues at hand.

COLORS & TEXTURES

This event will use red, white, and black for the color palette. Use velvet textures to add a classy element to this event.

INVITATION IDEAS

- Invitations that promise to explode when read. (make sure they don't really explode)

Calling on spies and heroes. Hope to save the day, the company or the event itself.

- Pick a movie theme and duplicate the invitation using your theme name
- Classic black and white.

These invitation ideas could be created by your preferred local advertising or marketing company. If you really have it in you, you could also make them yourself.
